

# **FLAGS PLACED IN A JAR ON YOUR PORCH, DOORSTEP OR IN OUR PUBLIC AREAS.**

A YELLOW FLAG INDICATES THAT THE PARK IS USING FERTILIZER ON THE GRASS IN THE COMMON AREAS. (PLACED ON THE FIELDS THAT ARE BEING FERTILIZED)

AN ORANGE FLAG INDICATES THAT THE PARK IS USING LAWN WEED CONTROL HERBICIDE IN THE COMMON AREAS SUCH AS GRASS FIELDS, ROADS AND THE PARKING AREAS THAT ARE NOT IN BETWEEN THE HOMES. PLEASE AVOID (YOU AND/OR YOUR PETS) FROM USING OUR PARK'S COMMON GRASS AREAS FOR THE TIME THE FLAGS ARE POSTED (ESTIMATED TIME AFTER APPLYING IS 24 HOURS). A DYE WILL BE ADDED TO THE WEED CONTROL HERBICIDE TO INDICATE THE LOCATIONS THAT HAVE BEEN TREATED. (JARS WILL BE PLACED ON YOUR PORCH OR DOORSTEP.)
